

IWO FEDERAL CONSTITUENCY SUMMIT

Our Vision: Iwo Federal Constituency envisions a world where all people have the opportunity and capacity to direct economic, social and environmental resources towards sustainable outcomes that improve lives and communities.

Our Objectives:

1. To serve as a platform to passionately advocate for community progress and development.
2. To chart a new course for Iwoland development.
3. To create a forum for re-orientation of our community members.
4. To identify peculiar challenges facing our community and proffer solutions.
5. To ensure that all public office holders are accountable.
6. To wage war against corruption and impunity.
7. To promote peaceful coexistence among our people.
8. To support sustainable development initiatives that respond to community-defined needs.
9. To partner with any community-based organisation to create economically and environmentally sustainable programmes through community assessments, grant proposal development, project design and management.
10. To formulate a master plan/ roadmap for a sustainable development of Iwoland.

Membership: Subject to the Executive Committee's screening and approval, IFC membership is open to all indigenes of Iwo, Ayedire and Ola-Oluwa local government areas who have passion for Iwoland development and believe in Iwo Federal Constituency objectives.
